TBD: Location to be determined

By Department: Training to be conducted at individual departments

A copy of this training schedule will be provided to each department haz-mat coordinator and training officer. Your department coordinator will receive an email two weeks before the training date indicating the date, time, location, subject, and required equipment. It will be the responsibility of the hosting department coordinator to provide the necessary equipment and instructors to conduct the class. |

All drills will commence at 08:30 hrs. All members should attend all training sessions. If you have any concerns or problems with this schedule, please contact B/C Maggio at Darien-Woodridge Fire Department at 630-742-4334.
